

Youth News

June

For the 3third year in a row the Calvary United Methodist Church Youth had a team of youth, adults and children participate in the Susan G. Komen Race for the Cure in Tyler. Many of our youth have friends and family who are personally affected by this disease, and it is particularly close to our hearts! We have the opportunity to write who we are walking in honor or in memory of on a paper and pin it on our shirts. This year the children and youth raised money by designing and selling stationary with themes such as "Fight the B.C." and various other Fight Breast Cancer designs. This year's 18 team participants were : Peyton Chapman, Annie Downs, Ansley Downs, Connie Bullock, Tim Bullock, Judy Reese, who is a breast cancer survivor, Allison Reese, Pricilla Tyndall, Ralph Tyndall, Ryan Callaway, Nichole Perry, Kelly Turner, Lauren Evans, Ellen Starnes, Shelby Rhoades, Heather Ciprian, Madison Turner, and Sarah Trapp. We would like to thank all of our Calvary family for supporting us by purchasing stationary, sponsoring us, or praying for us during the weekend!

Our annual Kayaking trip to Beaver's Bend is coming up on June 10 th. If you are interested, email, text, or call Kelly for information! We need adults to go as well as youth! All youth are welcome! This is my absolute favorite trip that we do! You will love it too!

We would like to congratulate Nichole Perry for being voted on to the Chrysalis Board! This is a big responsibility ! She will be a great asset to them! Great job Nichole!

We would like to congratulate our high school seniors on graduation! You have worked so hard and it has been a long road! Celebrate! Enjoy this achievement! Have a great summer!

Congratulations to all of our youth Disciple graduates!
