

Youth News

April 2010

The youth of Calvary worked very hard this Spring Break! Some traveled, but some came to the youth wing and worked! We did some sprucing up in our youth rooms. We also put together our Lenten Devotion guide. We really hope you enjoy reading them, as much as we enjoyed writing them for you! This is our first attempt at something like this and we are very proud of it. We hope to build on this book and next year we hope to have more articles from our youth. They have been writing for a couple of months, but were very shy about writing for the whole church, so if you like what they had to say, please encourage them to continue writing!

Grace and Peace!
